Registrar Corp makes no other representations or warranties, nor does this certificate make any representations or warranties to any person or entity other than the named certificate holder, for whose sole benefit it is issued. FDA may request additional information or invalidate the filings after the date hereof. (21 CFR 108.25(c)(3)(ii)). Registrar Corp will confirm that such filing remains effective upon request and presentation of this certificate until May 31, 2023, unless such filing has been deactivated or invalidated after issuance of this certificate. Registrar Corp assumes no liability to any person or entity in connection with the foregoing. The U.S. Food and Drug Administration does not issue or recognize certificates of registration or of process filings. Registrar Corp is not affiliated with the U.S. Food and Drug Administration.
