At Wafi, we consider good business to be about relationships, and trust to be at the heart of good business relationships and practice. The people and companies you trust and have good working relationships with are those you do the best business with. A contract represents the formal basis for trust between the parties who sign it. For all parties to commit to it, a contract must be an accurate account of the agreement reached; and, for it to be read and understood, it must be written in terms that are accessible and familiar. This document aims to honour that trust by laying out its terms and conditions as clearly and unambiguously as possible.

<https://wafi-energy.com/terms-and-conditions.html>

These terms and conditions apply to the contract between **COMPANY** and **CONTRACTOR**. This contract may be in the form of a purchase order or a work statement (the contract).

These terms and conditions are binding between **COMPANY** and **CONTRACTOR**; they supersede and replace any **CONTRACTOR** terms and conditions or previous contracts for any goods or services (defined as scope in the contract). If the parties to this contract agree any special terms, those terms should be documented and added to the purchase order terms – or a further contract should be drawn up containing those special terms. Where these terms and conditions are attached to or incorporated in a contract issued under an existing contract, the terms and conditions of that existing contract will overrule those of the later contract.

5 Our procedure for invoicing and payment

(a) **COMPANY** agrees to pay the contract price to **CONTRACTOR** in the currency specified in the Schedule of Prices, and at the times and in the manner specified in this clause (Clause 5). The *contract price* is all-inclusive except for value added tax or sales tax.

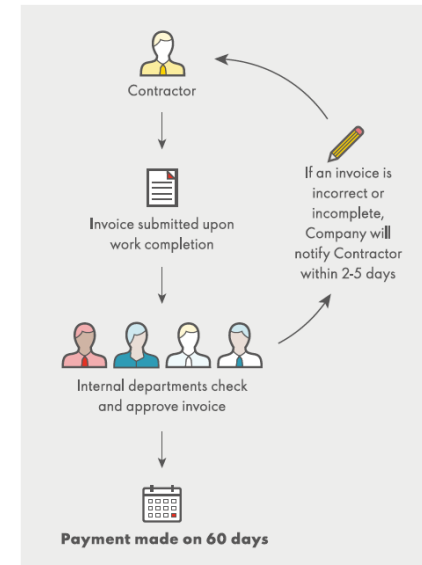

(b) **CONTRACTOR** will invoice only after *acceptance* of *scope*, unless other arrangements have been agreed in the contract.

(c) **COMPANY** will pay **CONTRACTOR** any undisputed amount within the time period specified in the contract after it has received a correct and adequately supported invoice (i.e., it has been filled out correctly and contains all the necessary documentation). It takes **COMPANY** 2–5 days to establish whether an invoice is adequately supported, and those days are counted as part of the standard payment term of 60 days after an invoice has been received. **COMPANY** would need to approve any alteration to this standard payment term in advance and in writing.

 8 Variations in relation to scope
COMPANY may request, or *CONTRACTOR* may initiate, a *variation assessment*. *CONTRACTOR* is not entitled to a variation for matters that were included in scope, or matters that *CONTRACTOR* agreed to perform or should take into account in connection with the contract. *COMPANY* may accept the *variation assessment* by issuing a variation order, or reject the *variation assessment*.

 9 Inspections, testing and acceptance of scope
(a) To confirm scope complies with the contract, *CONTRACTOR* will perform all tests and inspections required by the contract, *applicable laws* and, unless otherwise specified in the contract, *standards of practice*.

(i) *COMPANY* has notified *CONTRACTOR* in writing
(ii) 30 days has passed after *CONTRACTOR'S* request for *acceptance*
(iii) scope is put into commercial use by *company group*
Acceptance of goods/services marks the start of the warranty period. Other remedies that are included in the contract will not be affected by *acceptance of goods/services* and will continue to apply.

 10 Contractor's responsibilities if there are defects
If defects in scope are discovered, *CONTRACTOR* will provide a plan to remedy the defects and will remedy them as quickly as possible.
CONTRACTOR'S guaranties against defects are transferable, and *CONTRACTOR* will transfer to *COMPANY* all manufacturers' guaranties. Where guaranties against defects are not transferable, upon *COMPANY'S* request, *CONTRACTOR* will, on behalf of *COMPANY* or the organisation to which *COMPANY* transfers responsibility, pursue all guaranties that cannot be transferred.
In certain circumstances *COMPANY* may perform, or have others perform, some or all of the remedial actions, without prejudice to other remedies it may have. This may be when:
(i) emergency situations or other HSSE risks mean that remedial actions need to be carried out immediately
(ii) *CONTRACTOR* presents a plan which does not provide for a speedy enough completion of warranty work

(iii) *CONTRACTOR* does not complete the actions in the time agreed on the schedule
In these circumstances, *CONTRACTOR* will pay or promptly reimburse *COMPANY* for all costs
CONTRACTOR would have been liable for under the contract.

Terms & conditions for the purchase of goods and services continued

the contract.

(b) **CONTRACTOR** will provide copies of any valid exemption certificate it holds, or further information to demonstrate its entitlement to avoid the withholding; **COMPANY** may then rely on these to apply the exemption.

13 Liens (see section 1 for definition of this term)

CONTRACTOR warrants good and clear title to *scope* supplied. **CONTRACTOR** will not permit *contractor group* to place any liens or claim any *liens*. **CONTRACTOR** will immediately notify **COMPANY** and promptly remove any *liens* by *contractor group*.

14 Suspension

(a) **COMPANY** may suspend performance of all or part of *scope* for cause (see Clause 15 for explanation of 'for cause'). Written notice is required for such suspension, which takes effect immediately pending **COMPANY'S** decision on whether it has grounds to terminate the contract for cause. If there is suspending for cause, **CONTRACTOR** will not be entitled to any *variation* or other compensation.

(b) **COMPANY** may suspend performance of all or part of *scope* for convenience at its own discretion with seven days' prior written notice. **CONTRACTOR** may seek a *variation* if actions required by suspension affect the schedule or timing of *scope*.

15.2 Termination by company for convenience

COMPANY may terminate the contract or part of *scope* for convenience at its own discretion, as long as it does so with 30 days' prior written notice.

15.3 Termination by contractor for cause

(a) **CONTRACTOR** may terminate the contract if **COMPANY** fails to pay an undisputed amount to **CONTRACTOR** that is properly presented, due, payable for more than 60 days and exceeds 5% of the *contract price*. This assumes complete performance of the contract and is subject to:

(i) **CONTRACTOR** giving **COMPANY** written notice specifying the unpaid amount and requiring it to be paid within a further period of 14 days of such notice

(ii) **COMPANY** failing to make the payment or to provide proper grounds for non-payment during the notice period

(b) **CONTRACTOR'S** termination rights do not apply if **COMPANY** exercises a valid right to make a deduction from the invoice.

15.4 Contractor obligations on termination

Upon termination, **CONTRACTOR** will promptly cease performance of terminated *scope*, give access to *scope* in progress, avoid unreasonable interference with others, and take reasonable steps to allow **COMPANY** to complete *scope*. These steps include turning over all documentation for *scope* and *software* which was to be supplied in connection with the contract.

15.5 Compensation in the event of termination

(a) If **COMPANY** terminates the contract or part of *scope* for cause, **COMPANY** will determine and pay the amounts (minus any valid deductions) owed to **CONTRACTOR** for *scope* properly performed in accordance with the contract.

18 Insurance

Before beginning performance, **CONTRACTOR** will arrange any insurance required by *applicable law*, and maintain that insurance in effect for as long as the contract lasts. If the obligation to procure insurance and perform other actions in connection with this clause is satisfied, this will not relieve **CONTRACTOR** of any other obligations or *liabilities*.
